MEMORANDUM FOR: Director of Central Intelligence

FROM: Legislative Counsel

SUBJECT: Request for House Appropriations Committee
S&I Team Study

We do not believe the HPSCI will challenge this request for an S&I Team study, nor do we think that it would be wise for us to ask them to do so. We are, however, arranging for the S&I people to come out for lunch to discuss their plans with NFAC and Defense representatives so that we can identify any pitfalls. Attached is a memorandum to NFAC on this subject which you may find useful.
